

# FEDERATION OF NETTLESTONE AND NEWCHURCH PRIMARY SCHOOLS – CURRICULUM MAP

	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
<p><b>ENGLISH</b></p> <p>Our main Reading Schemes include: Oxford Reading Press, Oxford Reading Tree, Oxford University Press and Pearson.</p> <p>Our main phonic scheme is: Pearsons Phonic Bug.</p>	<p><b>Reading</b></p> <ul style="list-style-type: none"> <li>- Match graphemes for all phonemes</li> <li>- Read accurately by blending sounds</li> <li>- Read words with very common suffixes</li> <li>- Read contractions &amp; understand purpose</li> <li>- Read phonics books aloud</li> <li>- Link reading to own experiences</li> <li>- Join in with predictable phrases</li> <li>- Discuss significance of title &amp; events</li> <li>- Make simple predictions</li> </ul>	<p><b>Reading</b></p> <ul style="list-style-type: none"> <li>- Develop phonics until decoding secure</li> <li>- Read common suffixes</li> <li>- Read &amp; re-read phonic-appropriate books</li> <li>- Read common 'exception' words</li> <li>- Discuss &amp; express views about fiction, non-fiction &amp; poetry</li> <li>- Become familiar with &amp; retell stories</li> <li>- Ask &amp; answer questions; make predictions</li> <li>- Begin to make inferences</li> </ul>	<p><b>Reading</b></p> <ul style="list-style-type: none"> <li>- Use knowledge to read 'exception' words</li> <li>- Read range of fiction &amp; non-fiction</li> <li>- Use dictionaries to check meaning</li> <li>- Prepare poems &amp; plays to perform</li> <li>- Check own understanding of reading</li> <li>- Draw inferences &amp; make predictions</li> <li>- Retrieve &amp; record information from non-fiction books</li> <li>- Discuss reading with others</li> </ul>	<p><b>Reading</b></p> <ul style="list-style-type: none"> <li>- Secure decoding of unfamiliar words</li> <li>- Read for a range of purposes</li> <li>- Retell some stories orally</li> <li>- Discuss words &amp; phrases that capture the imagination</li> <li>- Identify themes &amp; conventions</li> <li>- Retrieve &amp; record information</li> <li>- Make inferences &amp; justify predictions</li> <li>- Recognise a variety of forms of poetry</li> <li>- Identify &amp; summarise ideas</li> </ul>	<p><b>Reading</b></p> <ul style="list-style-type: none"> <li>- Apply knowledge of morphology &amp; etymology when reading new words</li> <li>- Reading &amp; discuss a broad range of genres &amp; texts</li> <li>- Identifying &amp; discussing themes</li> <li>- Make recommendations to others</li> <li>- Learn poetry by heart</li> <li>- Draw inference &amp; make predictions</li> <li>- Discuss authors' use of language</li> <li>- Retrieve &amp; present information from non-fiction texts.</li> <li>- Formal presentations &amp; debates</li> </ul>	<p><b>Reading</b></p> <ul style="list-style-type: none"> <li>- Read a broad range of genres</li> <li>- Recommend books to others</li> <li>- Make comparisons within/across books</li> <li>- Support inferences with evidence</li> <li>- Summarising key points from texts</li> <li>- Identify how language, structure, etc. contribute to meaning</li> <li>- Discuss use of language, inc. figurative</li> <li>- Discuss &amp; explain reading, providing reasoned justifications for views</li> </ul>
	<p><b>Writing</b></p> <ul style="list-style-type: none"> <li>- Name letters of the alphabet</li> <li>- Spell very common 'exception' words</li> <li>- Spell days of the week</li> <li>- Use very common prefixes &amp; suffixes</li> <li>- Form lower case letters correctly</li> <li>- Form capital letters &amp; digits</li> <li>- Compose sentences orally before writing</li> <li>- Read own writing to peers or teachers</li> </ul>	<p><b>Writing</b></p> <ul style="list-style-type: none"> <li>- Spell by segmenting into phonemes</li> <li>- Learn to spell common 'exception' words</li> <li>- Spell using common suffixes, etc.</li> <li>- Use appropriate size letters &amp; spaces</li> <li>- Develop positive attitude &amp; stamina for writing</li> <li>- Begin to plan ideas for writing</li> <li>- Record ideas sentence-by-sentence</li> <li>- Make simple additions &amp; changes after proof-reading</li> </ul>	<p><b>Writing</b></p> <ul style="list-style-type: none"> <li>- Use prefixes &amp; suffixes in spelling</li> <li>- Use dictionary to confirm spellings</li> <li>- Write simple dictated sentences</li> <li>- Use handwriting joins appropriately</li> <li>- Plan to write based on familiar forms</li> <li>- Rehearse sentences orally for writing</li> <li>- Use varied rich vocabulary</li> <li>- Create simple settings &amp; plot</li> <li>- Assess effectiveness of own and others' writing</li> </ul>	<p><b>Writing</b></p> <ul style="list-style-type: none"> <li>- Correctly spell common homophones</li> <li>- Increase regularity of handwriting</li> <li>- Plan writing based on familiar forms</li> <li>- Organise writing into paragraphs</li> <li>- Use simple organisational devices</li> <li>- Proof-read for spelling &amp; punctuation errors</li> <li>- Evaluate own and others' writing</li> <li>- Read own writing aloud</li> </ul>	<p><b>Writing</b></p> <ul style="list-style-type: none"> <li>- Secure spelling, inc. homophones, prefixes, silent letters, etc.</li> <li>- Use a thesaurus</li> <li>- Legible, fluent handwriting</li> <li>- Plan writing to suit audience &amp; purpose</li> <li>- Develop character, setting and atmosphere in narrative</li> <li>- Use organisational &amp; presentational features</li> <li>- Use consistent appropriate tense</li> <li>- Proof-reading</li> <li>- Perform own compositions</li> </ul>	<p><b>Writing</b></p> <ul style="list-style-type: none"> <li>- Use knowledge of morphology &amp; etymology in spelling</li> <li>- Develop legible personal handwriting style</li> <li>- Plan writing to suit audience &amp; purpose; use models of writing</li> <li>- Develop character &amp; setting in narrative</li> <li>- Select grammar &amp; vocabulary for effect</li> <li>- Use a wide range of cohesive devices</li> <li>- Ensure grammatical consistency</li> </ul>
	<p><b>Grammar</b></p> <ul style="list-style-type: none"> <li>- Leave spaces between words</li> <li>- Begin to use basic punctuation: . ? !</li> <li>- Use capital letters for proper nouns.</li> <li>- Use common plural &amp; verb suffixes</li> </ul>	<p><b>Grammar</b></p> <ul style="list-style-type: none"> <li>- Use . ! ? , and '</li> <li>- Use simple conjunctions</li> <li>- Begin to expand noun phrases</li> <li>- Use some features of standard English</li> </ul>	<p><b>Grammar</b></p> <ul style="list-style-type: none"> <li>- Use range of conjunctions</li> <li>- Use perfect tense</li> <li>- Use range of nouns &amp; pronouns</li> <li>- Use time connectives</li> <li>- Introduce speech punctuation</li> <li>- Know language of clauses</li> </ul>	<p><b>Grammar</b></p> <ul style="list-style-type: none"> <li>- Use wider range of conjunctions</li> <li>- Use perfect tense appropriately</li> <li>- Select pronouns and nouns for clarity</li> <li>- Use &amp; punctuate direct speech</li> <li>- Use commas after front adverbials</li> </ul>	<p><b>Grammar</b></p> <ul style="list-style-type: none"> <li>- Use expanded noun phrases</li> <li>- Use modal &amp; passive verbs</li> <li>- Use relative clauses</li> <li>- Use commas for clauses</li> <li>- Use brackets, dashes &amp; commas for parenthesis</li> </ul>	<p><b>Grammar</b></p> <ul style="list-style-type: none"> <li>- Use appropriate register/style</li> <li>- Use the passive voice for purpose</li> <li>- Use features to convey &amp; clarify meaning</li> <li>- Use full punctuation</li> <li>- Use language of subject/object</li> </ul>

	<b>Speaking &amp; Listening</b> - Listen & respond appropriately - Ask relevant questions - Maintain attention & participate	<b>Speaking &amp; Listening</b> - Articulate & Justify answers - Initiate & respond to comments - Use spoken language to develop understanding	<b>Speaking &amp; Listening</b> - Give structured descriptions - Participate activity in conversation - Consider & evaluate different viewpoints	<b>Speaking &amp; Listening</b> - Articulate & justify opinions - Speak audibly in Standard English - Gain, maintain & monitor interest of listeners	<b>Speaking &amp; Listening</b> - Give well-structured explanations - Command of Standard English - Consider & evaluate different viewpoints - Use appropriate register	<b>Speaking &amp; Listening</b> - Use questions to build knowledge - Articulate arguments & opinions - Use spoken language to speculate, hypothesise & explore - Use appropriate register & language
--	---	---	---	---	---	--

<b>MATHS</b>	<b>Number/Calculation</b> - Count to / across 100 - Count in 1s, 2s, 5s and 10s - Identify 'one more' and 'one less' - Read & write numbers to 20 - Use language, e.g. 'more than', 'most' - Use +, - and = symbols - Know number bonds to 20 - add and subtract one-digit and two-digit numbers to 20, including zero - Solve one-step problems, including simple arrays	<b>Number/Calculation</b> - Begin to use place value (T/U) - Count in 2s, 3s, 5s & 10s - Identify, represent & estimate numbers - Compare / order numbers, inc. < > = - Write numbers to 100 - Know number facts to 20 (+ related to 100) - Use x and ÷ symbols - Recognise commutative property of multiplication	<b>Number/Calculation</b> - Secure place value to 100 - Mentally add & subtract units, tens or hundreds to numbers of up to 3 digits - Written column addition & subtraction - Solve number problems, including multiplication & simple division and missing number problems - Use commutativity to help calculations	<b>Number/Calculation</b> - Secure place value to 1000 - Use negative whole numbers - Round numbers to nearest 10, 100 or 1000 - Use Roman numerals to 100 (C) - Column addition & subtraction up to 4 digits - Multiply & divide mentally - Use standard short multiplication	<b>Number/Calculation</b> - Secure place value to 1,000,000 - Use negative whole numbers in context - Use Roman numerals to 1000 (M) - Use standard written methods for all four operations - Confidently add & subtract mentally - Use vocabulary of prime, factor & multiple - Multiply & divide by powers of ten - Use square and cube numbers	<b>Number/Calculation</b> - Secure place value & rounding to 10,000,000, including negatives - All written methods, including long division - Use order of operations (not indices) - Identify factors, multiples & primes - Solve multi-step number problems  <b>Algebra</b> - Introduce simple use of unknowns
	<b>Geometry &amp; Measures</b> - Use common vocabulary for comparison, e.g. heavier, taller, full, longest, quickest - Begin to measure length, capacity, weight - Recognise coins & notes - Use time & ordering vocabulary - Tell the time to hour/half-hour - Use language of days, weeks, months & years - Recognise & name common 2-d and 3-d shapes - Order & arrange objects - Describe position & movement, including half and quarter turns	<b>Geometry &amp; Measures</b> - Know and use standard measures - Read scales to nearest whole unit - Use symbols for £ and p and add/subtract simple sums of less than £1 or in pounds - Tell time to the nearest 5 minutes - Identify & sort 2-d & 3-d shapes - Identify 2-d shapes on 3-d surfaces - Order and arrange mathematical objects - Use terminology of position & movement	<b>Geometry &amp; Measures</b> - Measure & calculate with metric measures - Measure simple perimeter - Add/subtract using money in context - Use Roman numerals up to XII; tell time - Calculate using simple time problems - Draw 2-d / Make 3-d shapes - Identify and use right angles - Identify horizontal, vertical, perpendicular and parallel lines	<b>Geometry &amp; Measures</b> - Compare 2-d shapes, including quadrilaterals & triangles - Find area by counting squares - Calculate rectangle perimeters - Estimate & calculate measures - Identify acute, obtuse & right angles - Identify symmetry - Use first quadrant coordinates - Introduce simple translations	<b>Geometry &amp; Measures</b> - Convert between different units - Calculate perimeter of composite shapes & area of rectangles - Estimate volume & capacity - Identify 3-d shapes - Measure & identify angles - Understand regular polygons - Reflect & translate shapes	<b>Geometry &amp; Measures</b> - Confidently use a range of measures & conversions - Calculate area of triangles / parallelograms - Use area & volume formulas - Classify shapes by properties - Know and use angle rules - Translate & reflect shapes, using all four quadrants
	<b>Fractions</b> - Recognise & use $\frac{1}{2}$ & $\frac{1}{4}$	<b>Fractions</b> - Find and write simple fractions - Understand equivalence of e.g. $\frac{2}{4} = \frac{1}{2}$	<b>Fractions &amp; decimals</b> - Use & count in tenths - Recognise, find & write fractions - Recognise some equivalent fractions - Add/subtract fractions up to <1 - Order fractions with common denominator	<b>Fractions &amp; decimals</b> - Recognise tenths & hundredths - Identify equivalent fractions - Add & subtract fractions with common denominators - Recognise common equivalents - Round decimals to whole numbers - Solve money problems	<b>Fractions</b> - Compare & order fractions - Add & subtract fractions with common denominators, with mixed numbers - Multiply fractions by units - Write decimals as fractions - Order & round decimal numbers - Link percentages to fractions & decimals	<b>Fractions, decimals &amp; percentages</b> - Compare & simplify fractions - Use equivalents to add fractions - Multiply simple fractions - Divide fractions by whole numbers - Solve problems using decimals & percentages - Use written division up to 2dp - Introduce ratio & proportion

		<b>Data</b> <ul style="list-style-type: none"><li>- Interpret simple tables &amp; pictograms</li><li>- Ask &amp; answer comparison questions</li><li>- Ask &amp; answer questions about totalling</li></ul>	<b>Data</b> <ul style="list-style-type: none"><li>- Interpret bar charts &amp; pictograms</li></ul>	<b>Data</b> <ul style="list-style-type: none"><li>- Use bar charts, pictograms &amp; line graphs</li></ul>	<b>Data</b> <ul style="list-style-type: none"><li>- Interpret tables &amp; line graphs</li><li>- Solve questions about line graphs</li></ul>	<b>Data</b> <ul style="list-style-type: none"><li>- Use pie charts</li><li>- Calculate mean averages</li></ul>

	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
<b>SCIENCE</b>	<p><b>Everyday materials</b></p> <ul style="list-style-type: none"> <li>- I can distinguish between an object and the material from which it is made.</li> <li>- I can identify and name a variety of everyday materials? e.g. wood, plastic, metal, water and rock.</li> <li>- I can describe the simple properties of a variety of everyday materials.</li> <li>- I can compare and group together a variety of everyday materials on the basis of their simple physical properties.</li> </ul> <p><b>Seasonal Changes</b></p> <ul style="list-style-type: none"> <li>- I can observe changes across the four seasons.</li> <li>- I can observe and describe weather associated with the seasons and how the day varies.</li> </ul> <p><b>Plants</b></p> <ul style="list-style-type: none"> <li>- I can identify and name a variety of common wild and garden plants, including deciduous and evergreen trees.</li> <li>- I can identify and describe the basic structure of a variety of common flowering plants - including trees.</li> </ul> <p><b>Animals including Humans</b></p> <ul style="list-style-type: none"> <li>- I can identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals.</li> <li>- I can identify and name a variety of common animals that are carnivores, herbivores and omnivores.</li> <li>- I can describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals, including pets)</li> <li>- I can identify, name, draw and label the basic parts of the human body</li> <li>- I can say which part of the body is associated with each sense.</li> </ul>	<p><b>Uses of everyday materials</b></p> <ul style="list-style-type: none"> <li>- I can identify and describe the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses.</li> <li>- I can find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching</li> </ul> <p><b>Plants</b></p> <ul style="list-style-type: none"> <li>- I can observe and describe how seeds and bulbs grow into mature plants.</li> <li>- I can find out &amp; describe how plants need water, light and a suitable temperature to grow and stay healthy.</li> </ul> <p><b>Animals, including humans</b></p> <ul style="list-style-type: none"> <li>- I can notice that animals have offspring which grow into adults.</li> <li>- I can find out about and describe the basic needs of animals, including humans, for survival (water, food and air)</li> <li>- I can describe why exercise, balanced diet and hygiene are important for humans.</li> </ul> <p><b>Living things and their habitats</b></p> <ul style="list-style-type: none"> <li>- I can explore and compare the differences between things that are living, dead and things that have never been alive.</li> <li>- I can identify that most living things live in habitats to which they are suited.</li> <li>- I can describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other.</li> <li>- I can identify and name a variety of plants and animals in their habitats, including micro-habitats.</li> <li>- I can describe how animals obtain their food from plants and other animals, using the idea of a simple food chain.</li> <li>- I can identify and name different sources of food.</li> </ul> <p><b>Observing closely</b></p> <ul style="list-style-type: none"> <li>- I can observe closely, using</li> </ul>	<p><b>Animals, including humans</b></p> <ul style="list-style-type: none"> <li>- I can identify that animals, including humans, need the right types and amount of nutrition.</li> <li>- I know that animals, including humans, cannot make their own food; they get nutrition from what they eat.</li> <li>- I can identify that humans and some other animals have skeletons and muscles for support, protection and movement.</li> </ul> <p><b>Forces and magnets</b></p> <ul style="list-style-type: none"> <li>- I can compare how things move on different surfaces.</li> <li>- I can notice that some forces need contact between two objects, but magnetic forces can act at a distance.</li> <li>- I can observe how magnets attract or repel each other.</li> <li>- I can observe how magnets attract some materials and not others.</li> <li>- I can describe magnets as having two poles (N and S).</li> <li>- I can predict whether two magnets will attract or repel each other, depending on which poles are facing.</li> <li>- I can compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet or not.</li> <li>- I can identify some magnetic materials.</li> </ul> <p><b>Rocks</b></p> <ul style="list-style-type: none"> <li>- I can compare and group together different rocks on the basis of their appearance and simple physical properties.</li> <li>- I can describe in simple terms how fossils are formed when things that have lived are trapped within rock.</li> <li>- I can recognise that soils are made from rocks and organic matter.</li> </ul> <p><b>Plants</b></p> <ul style="list-style-type: none"> <li>- I can identify and describe the functions of different parts of flowering plants;</li> </ul>	<p><b>Living Things and their Habitats</b></p> <ul style="list-style-type: none"> <li>- I can recognise that living things can be grouped in a variety of ways.</li> <li>- I can explore and use a classification key to group, identify and name a variety of living things in the local and wider environment.</li> <li>- I can recognise that environments can change and that this can sometimes pose a danger to living things.</li> </ul> <p><b>Electricity</b></p> <ul style="list-style-type: none"> <li>- I can identify common appliances that run on electricity.</li> <li>- I can construct a simple series electric circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers.</li> <li>- I can identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop with a battery.</li> <li>- I can recognise that a switch opens and closes a circuit and associate this with whether or not a lamp lights in a simple series circuit.</li> <li>- I can recognise some common conductors and insulators and associate metals with being good conductors.</li> </ul> <p><b>Animals, including humans</b></p> <ul style="list-style-type: none"> <li>- I can describe the simple functions of the basic parts of the digestive system in humans.</li> <li>- I can identify the different types of teeth in humans and their simple functions.</li> <li>- I can construct and interpret a variety of food chains, identifying producers, predators and prey.</li> </ul> <p><b>Sound</b></p> <ul style="list-style-type: none"> <li>- I can identify how sounds are made associating some of them with something vibrating.</li> <li>- I can recognise that vibrations from sound travel through a medium to the ear.</li> </ul>	<p><b>Properties and changes to materials</b></p> <ul style="list-style-type: none"> <li>- I can compare and group together everyday materials on the basis of their properties, including hardness, solubility, transparency, conductivity (electrical and thermal), and response to magnets.</li> <li>- I know that some materials dissolve in liquid to form a solution.</li> <li>- I can describe how to recover a substance from a solution.</li> <li>- I can use my knowledge of solids, liquids and gases to decide how mixtures might be separated, including through filtering, sieving, evaporating.</li> <li>- I can give reasons, based on evidence for comparative and fair tests for the particular uses of everyday materials, including metals wood and plastic.</li> <li>- I can demonstrate that dissolving, mixing and changes of state are reversible changes.</li> <li>- I can explain that some changes result in the formation of new materials, and that this kind of change is not usually reversible, including changes associated with burning and the action of acid on bicarbonate of soda.</li> </ul> <p><b>Earth and Space</b></p> <ul style="list-style-type: none"> <li>- I can describe the movement of the Earth and other planets relative to the sun in the solar system.</li> <li>- I can describe the movement of the Moon relative to the Earth.</li> <li>- I can describe the Sun, Earth and Moon as approximately spherical bodies.</li> <li>- I can use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky.</li> </ul> <p><b>Forces</b></p> <ul style="list-style-type: none"> <li>- I can explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and</li> </ul>	<p><b>Living Things &amp; their habitats</b></p> <ul style="list-style-type: none"> <li>- I can describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences including micro -organisms, plants and animals.</li> <li>- I can give reasons for classifying plants and animals based on specific characteristics.</li> </ul> <p><b>Animals, including humans</b></p> <ul style="list-style-type: none"> <li>- I can identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood.</li> <li>- I can recognise the impact of diet, exercise, drugs and lifestyle on the way my body functions.</li> <li>- I can describe the ways in which nutrients and water are transported within animals, including humans.</li> </ul> <p><b>Evolution and Inheritance</b></p> <ul style="list-style-type: none"> <li>- I can recognise that living things have changed over time and that fossils provide information about living things that inhabited the earth millions of years ago.</li> <li>- I can recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents.</li> <li>- I can identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.</li> </ul> <p><b>Light</b></p> <ul style="list-style-type: none"> <li>- I can use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye.</li> <li>- I can explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes.</li> <li>- I can use the idea that light travels in straight lines to explain why shadows have the</li> </ul>

		<p>simple equipment.</p> <ul style="list-style-type: none"> <li>- I can use my observations and ideas to suggest answers to questions.</li> </ul> <p><b>Performing tests</b></p> <ul style="list-style-type: none"> <li>- I can ask simple questions and recognise that they can be answered in different ways.</li> <li>- I can perform a simple fair test.</li> </ul> <p><b>Identifying and Classifying</b></p> <ul style="list-style-type: none"> <li>- I can organise things into groups e.g. identify animals and plants by a specific criteria, e.g., lay eggs or not; have feathers or not?</li> <li>- I can identify and classify.</li> </ul> <p><b>Recording findings</b></p> <ul style="list-style-type: none"> <li>- I can use text, diagrams, pictures, charts, tables to record my observations.</li> <li>- I can measure data using simple equipment to help in answering questions.</li> </ul>	<p>roots, stem/trunk, leaves and flowers.</p> <ul style="list-style-type: none"> <li>- I can explain the requirement of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant.</li> <li>- I can investigate the way in which water is transported within plants.</li> <li>- I can explain the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal.</li> </ul> <p>Light</p> <ul style="list-style-type: none"> <li>- I can recognise that they need light in order to see things and that dark is the absence of light.</li> <li>- I can notice that light is reflected from surfaces.</li> <li>- I can recognise that light from the sun can be dangerous and that there are ways to protect my eyes.</li> <li>- I can recognise that shadows are formed when the light from a light source is blocked by a solid object.</li> <li>- I can find patterns in the way that the size of shadows change.</li> </ul> <p><b>Planning</b></p> <ul style="list-style-type: none"> <li>- I can ask relevant questions and use different types of scientific enquiries to answer them.</li> <li>- I can set up simple practical enquiries, comparative and fair tests.</li> </ul> <p><b>Obtaining and presenting evidence</b></p> <ul style="list-style-type: none"> <li>- I can make systematic and careful observations and where appropriate, take accurate measurements using standard units, using a range of equipment including thermometers and data loggers.</li> <li>- I can gather, record, classify and present data in a variety of ways to help answer questions.</li> <li>- I can record my findings using simple scientific language, drawings, labelled diagrams,</li> </ul>	<ul style="list-style-type: none"> <li>- I can find patterns between the pitch of a sound and features of the object that produce it.</li> <li>- I can find patterns between the volume of the sound and the strength of the vibrations that produced it.</li> <li>- I can recognise that sounds get fainter as the distance from the sound source increases.</li> </ul> <p><b>States of Matter</b></p> <ul style="list-style-type: none"> <li>- I can compare and group materials together, according to whether they are solids, liquids or gases.</li> <li>- I can observe that some materials change state when they are heated or cooled.</li> <li>- I can measure or research the temperature at which different materials change state in degrees Celsius ( °C)</li> <li>- I can identify the part that evaporation and condensation has in the water cycle.</li> <li>- I can associate the rate of evaporation with temperature.</li> </ul> <p><b>Planning</b></p> <ul style="list-style-type: none"> <li>- I can ask relevant questions and use different types of scientific enquiries to answer them.</li> <li>- I can set up simple practical enquiries, comparative and fair tests. ---	--	---	---	--	--

					products and develop them so they are fit for purpose. - I can take a user's view into account when designing. - I can draw labelled sketches, cross sections, diagrams and use computer aided design to plan and develop my ideas. <b>Working with tools, equipment, materials and components to make quality products</b> - I can use a range of tools and equipment expertly and safely. - I can persevere through different stages of the making process to create a product of which I am proud. <b>Evaluating processes and products</b> - I can evaluate appearance and function against the original criteria.	
<b>COMPUTING</b>	<b>E-Safety</b> - I can recognise advertising on websites and learn to ignore it - I can follow the school rules when being online and using technology - I know that personal information should not be shared online - I know how to report something bad that I find online - I know who to tell if I find something bad online. - I understand what cyber bullying is and what to do if it happens <b>Programming</b> - I can give simple instructions one at a time using left, right, forwards and backwards. - I can put two instructions together to control a toy - I can make a record of instructions - As part of a group, I can plan, predict and test a Bee-Bot journey by giving a sequence of instructions - I can use simple on screen simulations and games. <b>Handling Data</b> - I can enter information into a template to make a graph - I can talk about the results shown on a graph - I can create a pictogram by	<b>E:Safety</b> - I can recognise advertising on websites and learn to ignore it - I can follow the school rules when being online and using technology - I know that personal information should not be shared online - I know how to report something bad that I find online - I know who to tell if I find something bad online. - I understand what cyber bullying is and what to do if it happens. <b>Programming</b> - I can use forwards, backwards, up and down within a sequence of instructions. - I can use repeat in my instructions. - I can complete a simple program and predict what the results will be. - I can test and changes my instructions. - I can explain, with support, the importance of using simulations (links to inside and outside of school). - I can explore the effect of choices when using simulations.	<b>E:safety</b> - I can create a strong password and understand who I must and must not share it with. - I know that websites sometimes include pop-ups that take them away from the main site, including the use of advertising. - I understand the need for rules to keep me safe when using technology when online and can follow my own and the school's rules. - I understand the need to keep personal information private and recognise that everything I put online can be seen and used by others and cannot be deleted. - I understand the need for caution and know how to respond if something happens I am uncomfortable with. - I can recognise that cyber bullying is unacceptable and the consequences of taking part in it. - I know how to report an incident of cyber bullying. - I understand the benefits of developing a 'nickname' for online use. <b>Programming, Simulations and Sensors</b> - I can write programs to	<b>E:safety</b> - I can create a strong password and understand who I must and must not share it with. - I know that websites sometimes include pop-ups that take them away from the main site, including the use of advertising. - I understand the need for rules to keep me safe when using technology when online and can follow my own and the school's rules. - I understand the need to keep personal information private and recognise that everything I put online can be seen and used by others and cannot be deleted. - I understand the need for caution and know how to respond if something happens I am uncomfortable with. - I can recognise that cyber bullying is unacceptable and the consequences of taking part in it. - I know how to report an incident of cyber bullying. - I understand the benefits of developing a 'nickname' for online use. <b>Programming, Simulations and Sensors</b> - I can write programs to create animations, games and/or simulations. - I can use degrees as a	<b>E:safety</b> - I can create a strong password and manage them so that they remain strong. I understand that copyright exists on most digital content and understand they should not publish other people's pictures or tag them on the internet without permission. - I can reference information sources. - I recognise the potential risks of using technology and knowhow to minimise those risks (including identifying people who can help, minimising the screen, reporting systems both online and in school and creating online alias). - I can use my understanding of the internet and technology to create tips to help others use them safely, including dealing with cyber bullying. - I appreciate that everything I put online may be seen and used by others and cannot be deleted. - I understand that online environments have security settings, which can be altered, to protect us. - I can discuss the positives and negatives of ICT in my own and the lives of others. <b>Programming, Simulations and Sensors</b> - I can write programs to control hardware and avatars.	<b>E:safety</b> - I can create a strong password and manage them so that they remain strong. - I understand that copyright exists on most digital content and understand they should not publish other people's pictures or tag them on the internet without permission. - I can reference information sources. - I recognise the potential risks of using technology and knowhow to minimise those risks (including identifying people who can help, minimising the screen, reporting systems both online and in school and creating online alias). - I can use my understanding of the internet and technology to create tips to help others use them safely, including dealing with cyber bullying. - I appreciate that everything I put online may be seen and used by others and cannot be deleted. - I understand that online environments have security settings, which can be altered, to protect us. - I can discuss the positives and negatives of ICT in my own and the lives of others. <b>Programming, Simulations and Sensors</b> - I can write programs that

entering data into a graphing package

#### Multimedia

- I can use my pictogram to answer simple questions.
- I can take pictures with a camera
- I can print out a photograph from a camera with help
- I can combine text & images in a simple program
- I can record a sound and play it back with support.
- I can create a voice over using an existing photo story as part of a group.
- I can use simple paint tools, brushes, colour-fill and palette.
- I can add stamps or clipart to create a scene.

#### Key ICT Skills

- I can record my ideas using a keyboard.
- I can change the colour, size or font.
- I can copy and paste a picture using a right click.
- I can save pieces of work to a chosen folder using save as and save.
- I can load my saved work by going to the correct folder and double clicking.
- I can use shortcuts to open pre-chosen websites
- I can use pre-chosen sites to find information and answer simple questions
- I can print out a page from the internet
- I can find information using keyword searches

#### Handling data

- I can explain what a database is.
- I can compare databases on the computer with databases on paper.
- I can show how branching databases can be used to sort items.
- I can explain, with support, how a branching database works using yes and no questions.
- I can enter information into a prepared database, with support, and use it to create a graph.
- I can sort and classify information in screen by four criteria (Carroll diagram).

#### Multimedia

- I can experiment with sound, text, Word Art and pictures within a program (including slideshows)
- I can use the shape tools, flood fill, straight line tools and spray effect to build up pictures and effects.
- I can create a repeating pattern using stamps or copy tool.
- I can compose simple tunes by selecting and arranging icons.
- I can insert still and moving images into different programs with support.
- I can record a sound and play it back.

#### Key ICT Skills

- I can type a piece of work (word process) using the return/enter key to leave gaps (line breaks) between sections.
- I can use the Caps lock key to add capital letters.
- I can change the colour, size and font.
- I can highlight text to change its format (B, U, I).
- I can copy and paste pictures and text using right click or HOME.
- I can save pieces of work to a folder that I have chosen using save as and save.

- create simple animations, control avatars or draw common regular shapes.
- I can test changes and fix errors in my instructions and programs.
- I can use 90 degree and or 180 degree turns within my programs.
- I can explore the effects of changing variables in a simulation.
- I understand the importance and disadvantages of using simulations.
- I understand the difference between virtual and physical devices.

#### Handling Data

- I can define what a field and record is using a sorting exercise.
- I can add records and fields into a prepared database.
- I can sort a database to answer simple questions.
- I can use a branching database to classify and identify objects.
- I can use a branching database to answer questions.
- I can create clearly labelled bar graphs, with support, and use them to present my findings.

#### Multimedia

- I can use a digital video camera to capture film or images and select the ones I wish to use.
- I can create a presentation that moves from slide to slide and is aimed at a specific audience.
- I can use different views, cameras and angles to review and add detail to my work.
- I can build up pictures and models using different shapes and tools (sketch-up)
- I can download images into files on the computer with support.
- I can use photo editing software to crop photos and add simple effects and filters.
- I can with support, edit and recognise sounds, using

- measurement of turn in my instructions and programs.
- I can predict the outcome of my instructions and programs.
- I can use inputs and outputs when writing simple programs.
- I can use a loop within my programs.
- I can adapt and alter my programs (debugging)
- I can, with support, attach a sensor to a device connected to a computer and take readings.

#### Handling Data

- I can create my own simple spreadsheet database, enter data, highlight it and create clearly labelled graphs and charts.
- I can create a branching database to support data collection.
- I can use the terms 'cells', 'rows', and 'columns' and explain what they are.
- I can sort and search a database to answer simple questions.
- I can identify where databases are used inside school.

#### Multimedia

- I can review and delete unwanted images
- I can combine text, images and sounds in different programs to target a familiar audience.
- I can manipulate a sound when using recording software by altering the pitch and tempo.
- I know that sounds exist in different formats.
- I can download images safely into files on the computer.
- I can capture images using a variety of methods (screen capture, scanning, Google Earth, and the Internet)
- I can create a multimedia presentation that teaches others something I have learnt.

#### Key ICT Skills

- I can right click for suggested spellings when correcting my work.
- I can use bullet points or numbers, auto shapes and text boxes to reposition and organise my work.
- I can reformat text boxes and images to make them fit for

- I can deconstruct programs to spot and debug errors.
- I can create variables to keep score.
- I can combine a range of sensors, inputs and outputs to control devices and trigger events.
- I can identify how sensors are used in the real world.
- I can use IF commands within my programs.
- I can use a repeat forever loop within my commands.
- I can explain how an algorithm works.

#### Handling Data

- I can create my own spreadsheet model and tables by reformatting cells using the border, fill, merge options.
- I can create appropriate graphs and tables and use them as part of another piece of work.
- I can create a formula in a spreadsheet and then check for accuracy and plausibility.
- I can reformat and colour cells to make my database more user friendly (including adding images).
- I can identify where databases and spreadsheet models are used inside and outside of school.

#### Understanding Networks

- I understand how search engines function.
- I understand the difference between the internet and the World Wide Web.
- I am beginning to understand the role servers play when using ICT safely.
- I understand that the outcome of internet searches at home will differ at school and home because of filters and the proxy server.
- I can map a simple network.

#### Multimedia

- I can capture and create sounds, images and video.
- I can make a multimedia presentation that contains sound, animation, video and hyperlinks.
- I can use a layered editing program to create collages and/or transparent images then save them in an appropriate format.
- I can use appropriate software to plan, create, edit and present my work to a selected audience.

- control multiple avatars.
- I can write useful programs for a specific purpose.
- I can detect errors independently in a program and correct them (check and refine)
- I can use IF...THEN commands within my programs
- I can create different types of variables in my programs.
- I can explain how an algorithm works and outline any changes I have made.

#### Handling Data

- I can collect live data using data logging equipment.
- I can create my own database and present information from it.
- I can independently select and create appropriate graphs and tables.
- I can reformat cells to make them fit for purpose.
- I can use formulae or functions within spreadsheets to present data such as percentages of profit.
- I understand and can explain the advantages of using a spreadsheet model.

#### Understanding Networks

- I am beginning to understand how data packets and addresses work.
- I can demonstrate the journey of data across the internet using data packets.
- I have a growing understanding of binary code and how it is used.
- I understand what RAM and ROM are and how this affects the technology I use.

#### Multimedia

- I can use and combine a range of presentation applications.
- I can make a multimedia presentation that contains; sound, animation, video, menus and /or buttons to navigate.
- I can consider the effect of filters, angles, light and shadow.
- I can add special effects to alter the appearance of a graphic, including altering its opacity or transparency.
- I can use a layered editing program to create appropriate high quality images.

- I can load this work by either going to the correct folder and double clicking or using file and open.
- I can use a search engine to find information using key words in order to answer simple questions.
- I can use shortcuts to open pre-chosen websites and find information to answer simple questions
- I can print a webpage.
- I can use an index to locate information.
- I can use hyperlinks to locate information on a website.
- I can send and reply to a message sent by a safe e:mail partner (within school).

- recording software, to remove any mistakes.
- Key ICT Skills**
- I can use the spell checker to edit most spellings.
  - I can improve my work by selecting appropriate tools to add emphasis and effect (e.g. centre, font size, font colour and B, U, I)
  - I can use the cut, paste, print screen and crop tools.
  - I can use the spacebar, back space and arrow keys to move around and redraft my work.
  - I can use bullet points or numbers, auto shapes and text boxes with support to reposition and organise my work.
  - I can reformat text boxes and images to make them easier to organise and overlap.
  - I can create my own folder and save my work in it.
- Using the Internet.
- I can use a search engine to find information using different key words.
  - I can search for an image, then copy and paste it into a document.
  - I can use 'Save picture as' to save an image to the computer and insert it into my work.
  - I can use note making skills as part of a team to decide what information to use.
  - I can find relevant information by browsing a menu.
  - I can bookmark a page into my favourites in order to find safe sites again quickly.
  - I can use an e:mail address book.
  - I can open and send an attachment to an e:mail.
  - I can contribute to a class blog.

- purpose (square, tight, in front, behind) and easier to organise and customise.
- I can copy and paste and save pictures and text using right click.
  - I can begin to explain the difference between save and save as and export.
  - I can choose the most appropriate page layout and document type for presenting my work (landscape or portrait)
  - I can organise my files and folders by moving and renaming them.
- Using the Internet**
- I can use a search engine to find a specific website.
  - I can use note-taking skills to decide which text to copy and paste into a document.
  - I can use tabbed browsing to open two or more web pages at the same time.
  - I can download pictures, sounds and other resources from the internet then use them to enhance my work.
  - I can consider who wrote the information I find and how this affects if I trust it or not (bias)

- I can explain my choice of clips, effects and structure and how my work is suited to my audience.
  - I can consider the effect of angles and filters.
- Key ICT Skills**
- I can use the word count tool to check the length of a document.
  - I can incorporate graphics where appropriate, using the most effective text wrapping formats.
  - I can use the SHIFT key to add punctuation and/or symbols and select multiple items.
  - I can use the spell checker and thesaurus by right clicking.
  - I can use keyboard shortcuts to copy and paste images and text.
  - I understand the role of the clipboard when copying, pasting and cutting.
  - I have some understanding of the safe zone and usually consider it when creating documents, particularly desktop publishing.
  - I can remove hyperlinks from words and images to make them easier to recognise and manipulate.
- Using the Internet**
- I can organise my favourites into folders
  - I can use multiple windows and tabbed browsing to follow simple lines of enquiry.
  - I can compare the results of different searches and modify my search strategies to gain better results.
  - I can use a search engine using keyword searches and Boolean operators.
  - I can check the validity and accuracy of different sources by considering a range of information. I am aware of bias and opinion and use this knowledge when evaluating and using information.
  - I can use video chat to communicate with someone elsewhere in the school or another location.

- I can save my work in appropriate formats that are fit for purpose.
  - I can select my target audience then present my work appropriately.
- Key ICT Skills**
- I can confidently choose page set ups and layouts that are appropriate for my piece of work.
  - I can use headers and footers appropriately.
  - I can use a variety of keyboard short cuts to reorganise and alter my work.
  - I understand what is meant by the safe zone (blue box) when creating pieces of work.
  - I can independently select software that is fit for purpose.
  - I can explain my choice of layout and formatting.
  - I can insert and remove hyperlinks from words and images to make them easier to reorganise, manipulate and present.
  - I can retrieve my work by searching the computer.
- Using the Internet**
- I can use complex searches using such as '+' 'OR' "find the phrase in verted commas".
  - I understand how search results are ranked.
  - I am aware of how wikis function and appreciate how this can affect the validity and accuracy of the source.
  - I can use knowledge of the meaning of different domain names and common website extensions (e.g. .co.uk: .com, .ac: .sch, .net) to support validation of information.
  - I can copy and paste, download and save information independently following lines of enquiry.
  - I can check the validity & accuracy of sources by cross checking information with range of different websites or other non-ICT resources.
  - I can safely contribute to discussions online.

**MODERN  
LANGUAGES**

- I can locate Spain on a world map & name main cities.
- I can name/ identify some Spanish objects / traditions.
- I can name / locate other Spanish speaking countries globally and name their capital cities.
- I can pronounce vowels and recognise / use the alphabet.
- I can say hello / goodbye; tell someone my name/ ask someone what their name is; I can say my age / ask someone their age.
- I can issue basic commands; ask someone how they are/ say how I am; use low numbers; say where things are.
- I can name colours / ask the colour of something; say what the colour of something is; say/ask how many there is.
- I can count to 10.
- I can name family members; ask who someone is; express personal possession; say/ask what someone's name is; name places.
- I can name drinks/ ask what someone is drinking.
- I can name foods / ask someone what they want.
- I can ask what something is.
- I can say what someone is doing.
- I can name types of clothing and specify a certain item.
- I can use colours to describe clothing.
- I can name months of the year, say when my birthday is.
- I can sing the Happy Birthday song.
- I can tell you how Christmas is celebrated in Spain.
- I can sing a traditional song in Spanish
- I can name modes of transport.
- I can say how many of something there is.
- I can describe something in terms of its size and colour.
- I can use/follow simple directions.
- I can ask/describe what the

- I can locate Spain on a world map & name main cities

- I can name the

- weather is like.
- I can express surprise.
- I can answer in the negative/affirmative.
- I can name the seasons/continents.
- I can use the future tense.
- I can name places in the town.
- I can say what I like/don't like doing.
- I can ask someone if they like doing a particular thing.
- I can say how many brothers & Sisters I have.
- I can ask someone if they have brothers and sister.
- I can name food ingredients and price food items.
- I can ask how much something costs.
- I can name various animals.
- I can name what pet animal I have / asks what pet animals you may have.
- I can ask/tell what your favourite animal is.
- I can describe animals using a colour.
- I can name various instruments.
- I can say what instrument I like playing.
- I can ask someone if they like music.
- I can ask/say what the time is.
- I can express my hunger/thirst. I can say that I like/don't like something.
- I can name rooms in a house.
- I can distinguish between singular and plural.
- I can say/ask what there is.
- I can describe specific objects with specific colours.
- I can ask/say what time an event starts.
- I can express happiness.
- I can give/follow simple directions.
- I can name different flavours of ice cream.
- I can recognise how to spell a word.
- I can conjugate the verb 'to be' in present tense.
- I can name parts of the face.
- I can name shapes and their colours.

- seasons/continents
- I can use the future tense
- I can name places in the town
- I can say what I like/don't like doing
- I can ask someone if they like doing a particular thing
- I can say how many brothers & Sisters I have
- I can ask someone if they have brothers and sisters
- I can name food ingredients and price food items
- I can ask how much something cost
- I can name various animals
- I can name what pet animal I have / asks what pet animals you may have
- I can ask/tell what is your favourite animal
- I can describe animals using a colour
- I can name various instruments
- I can say what instrument I like playing
- I can ask someone if they like music
- I can ask/say what the time is
- I can express my hunger/thirst
- I can say that I like/don't like something
- I can name rooms in a house
- I can distinguish between singular and plural
- I can say/ask what there is
- I can describe specific objects with specific colours
- I can ask/say what time an event starts
- I can express happiness
- I can give/follow simple directions
- I can name different flavours of ice cream
- I can recognise how to spell a word
- I can conjugate the verb 'to be' in present tense
- I can name parts of the face
- I can name shapes and their colours
- I can have a restaurant dialogue
- I can name and spell various sports
- I can carry out a simple question and answer conversation
- I can answer questions using the verb 'to have'.

- I can say what I like/don't like doing
- I can ask someone if they like doing a particular thing
- I can say how many brothers & Sisters I have
