2. 2016/2017 Outcomes (Impact of Previous Spend)		Actual Spend	Evaluation
A.	<p>J Rock To give children the experience of buzz, natural highs, smsc, exposure of performing on a stage, working collaboratively with other schools, exposed to special schools, different cultures. Learn about performance and stage presence.</p>	£607	<p>Awarded following for excellence: Spirit of community, Student leadership, Costume, Performance skills, Sound track, Entertainment, Choreography, Lighting, Stage use, Drama, Concept and Video performance. Placed second in heat.</p>
B.	<p>Purchasing Equipment</p> <ul style="list-style-type: none"> • Higher quality Physical Education Lessons. • More equipment to allow a greater number of pupils participate at the same time, meaning more emphasis on practising skills. • Range of equipment means a greater range of sports can be learned. 	£1,825	<p>Increased quality and range of equipment for PE sessions, training and competitive sport.</p>
C.	<p>Entry & Membership Fees</p> <ul style="list-style-type: none"> • Allow for competitive matches in football and cricket competitions to raise the standard • Baylink Games enables all children in KS2 to participate in a high-quality sports event 	£250	<p>Maintaining the range and level of sports available to our children as extra-curricular and competitive sports.</p>

D.	Provision of Extra Curricular Clubs <ul style="list-style-type: none"> • A wide and varied sports club program run at Nettlestone, including sports such as: Football for all ages groups and sexes, Cross Country, Cricket, Table Tennis, Westridge Golf, Multi-Skills, Dance, and Tennis. • 95 children attended after-school sports club in summer term 2017. • The range of clubs changes termly ensuring there are at least 2 options per key stage. 	£3,907	Increased range and number of after-school sports activities available to all ages.
E.	Continuous Professional Development <ul style="list-style-type: none"> • Teaching and coaching courses for members of staff to improve the quality of their delivery of both curriculum PE and extra-curricular activities 	£416	Increased quality and range delivered within the curriculum and extra-curricular sessions.
F.	External Coaching / Teachers <ul style="list-style-type: none"> • Specialists include dance teachers, cricket coaches, football coaches and Sailing Tuition at Sea View Yacht Club. 	£2,269	Specialists used to increase student knowledge and enjoyment in a range of activities. Increased links with clubs and pupils attending outside of school activities.
G.	Travel to sporting / fixtures / events <ul style="list-style-type: none"> • Attending a vast array of sports fixtures, tournaments and festivals on the Isle of Wight • Children had many opportunities to travel off the Island to play in mainland competitions, including football in Southampton, Hockey at the Hampshire Games in Aldershot and a trip to watch the Women's FA Cup Final at Wembley Stadium. 	£500	Allowing children to opportunity to compete against other school in a variety of locations, both on and off the Island.

Additional Detail (use table below to highlight specific successes of 2016/2017)

54/55 Year 3 and 4 children have now represented the school in competitive sport - **98%**

57/57 Year 5 and 6 children have now represented the school in competitive sport - **100%**

Key Stage 2 total for school representation - 111/112 - **99%**

Gold Sports Badge - **15 children** have now been awarded their Gold Badge

Silver Sports Badge - **23 children** have now been awarded their Silver Badge

Bronze Sports Badge - **54 children** have now been awarded their Bronze Badge

Cricket Coach - We have had an ECB Cricket Coach in school delivering 10 hours of cricket lessons to Year 3 and 4.

Sailing - All but one of our children in Year 5 have received 5 weeks (15 hours) worth of sailing tuition from Sea View Yacht Club. They have all been awarded RYA Youth Sailing Awards (Stage 1). One children was awarded a Stage 2 (PTy) certificate and another child was awarded the Stage 3 (SVI).

Football - We held Federation Football friendlies with Newchurch. 16 children from Reception, Year One and Year Two represented Nettlestone (many for the first time).

Women's FA Cup Trip - Myself, Ben Eighteen and Jan Smith took a coach (34 children and 19 adults) up to Wembley Stadium to watch the Women's FA Cup Final. This was an amazing day out and many of the children had never been to a professional match before. We received some lovely feedback from the parents and families who came along too.

U11 Boys Cricket Team reached the semi-final of the county competition.

U11 Girls Cricket Team reached the final of the county competition, finishing as runners-up.

U9 Cricket Tournament - 8 children from Year 3 and Year 4 played in a cricket tournament at Queensgate Primary School. We finished in joint 3rd place out of 12 schools.

U9 Tennis - 8 children from Year 3 and Year 4 represented the school at the Ryde Lawn Tennis Club tournament. We finished as runners-up overall.

U9 Triathlon - 12 children from Year 3 and Year 4 attended a triathlon (running, scooting, cycling) competition at Greenmount Primary School. We finished as the winning school.

County Show - A team of 5 Year 5 children took part in a old-fashioned sports day at the Royal County Show. The children and parents were amazing and again, we received wonderful feedback. We finished as winners and received a trophy and medals.

Baylink Olympics - All children from Year 3, 4, 5 and 6 represented the school at the Baylink Olympics. It was a brilliant two days.

U11 Tag Rugby - Silver

U11 Cricket - Bronze

U9 Athletics - Bronze

U9 Basketball - Silver

U9 Girls Football - Bronze

U9 Cricket - Bronze

Hampshire Games Hockey - We took our U11 Hockey team to the Hampshire Games in Aldershot. The standard was extremely high but we managed to finish in a creditable 15th place out of 20.

KS1 Sports Day - 87 pupils took part in a carousel of events with races to finish the afternoon. The event was massively supported by families and friends with nearly 200 people attending.

KS2 Sports Day - 111 pupils took part in a range of track and field events that they chose. The afternoon finished with a series of relay races. Again, the event was massively supported with well over 100 people attending. The coffee and cake sale raised around £100.

CPD - JMc attended a 4 hour CPD Badminton course at Sandown Bay Academy.

3. Planned expenditure for 2017/2018

Academic year	2017-2018 - £18,100.00 (£16,000 + £10 per child)
---------------	--

The five headings below demonstrate how our school expects to see improvements across the key indicators by using the Sports Premium effectively this year...

A) Improve engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?
Promote physical activity within break and lunch times	Equipment to be used to promote physical activity at break & lunch times. Purchase of Outdoor Gym equipment.	Children spend 35 minutes a day outside at break times, and although these are usually very active sessions, a greater range of equipment will promote further physical activity.	Visual monitoring School Sports Organising Crew involved in discussing what equipment they would like to use. Funding secured for Outdoor Gym equipment. FONS to support with £7,000.00	Jamie McInnes	£7,081.97	On-going
Promote greater physical activity throughout the day	Edumove to coach teachers in to how to intergrate further physical activity into classroom based lessons. Golden Mile, Go Noodle and Children's Yoga used within lessons to both promote physical activity and enhance learning through improved concentration and	Physically Active Lessons (PAL) which promote academic engagement, attainment, mental health and psycho-social well-being.	Activity logs kept to monitor physical activity within non-physical education lessons. Golden Mile monitors to regularly update and certificate children reaching milestones.	Jamie McInnes, Annabelle Marsh plus classroom teachers	£847.68	End of academic year

Total Anticipated Cost	£7,929.65
-------------------------------	------------------

B) Ensure that the profile of PE and sport is raised across the school as a tool for whole-school improvement

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?
Promote greater physical activity throughout the day	Edumove to coach teachers in to how to intergrate further physical activity into classroom based lessons. Golden Mile, Go Noodle and Children's Yoga used within lessons to both promote physical activity and enhance learning through improved concentration and stimulation.	Physically Active Lessons (PAL) which promote academic engagement, attainment, mental health and psycho-social well-being.	Activity logs kept to monitor physical activity within non-physical education lessons. Golden Mile monitors to regularly update and certificate children reaching milestones.	Jamie McInnes, Annabelle Marsh plus classroom teachers	Edumove costs included above	End of academic year

Specialist PE lessons taught to all year groups	Employment of Jamie McInnes as PE Coordinator and Annabelle Marsh as PE Assistant to teach high quality PE to all classes within the school.	A child's key physical development is between 4-9 years of age (recent studies show). We need to capture them at this crucial age. We need to feed them with inspiring PE lessons, set the essential PE foundations (e.g. movement, sending and receiving, teamwork, winning and losing), give them challenges, introduce them to sporting values and give them positive	Timetabled specialist PE lessons for all classes. Lesson observations throughout the year.	Kirsty Howarth & Anna Jacobs		Ongoing observations
Class names to inspire children using local sports stars	Visits from our local sports stars to give inspirational talks and demonstrations to our children.	Our sports stars that the classes are named after can inspire the children by showing that they have every opportunity of setting goals and reaching them.	Feedback from children and teachers. Observing the talks.	Jamie McInnes		Ongoing
Total Anticipated Cost					-	
C) Increased confidence, knowledge and skills of all staff in teaching PE and Sport						
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?

Upskill PE Coordinator with PESS Level 5 Training Course delivered by Hampshire County Council PESS Level 3 Training for Annabelle Marsh.	Undertake training to qualify for Physical Education and School Sport Level 5 Qualification.	Hampshire released guidance that this was the recommended minimum qualification for delivery of the Primary School PE Curriculum.	Qualification passed and certificate issued.	Jamie McInnes	£1,608.00	Immediately
To qualify two members of staff in delivering Multi-skills sessions within the school	A course that is being run on the Isle of Wight is a cost effective way of getting several people qualified.	This will allow a greater number of teachers and assistants in our school to deliver high-quality multi-skills sessions, particularly for the younger children.	The course gives certification, and the candidate's delivery is assessed.	Jamie McInnes and Anna Jacobs	£248.00	Once certification is received.
Whole school Edumove CPD to ensure that all members of staff are trained and knowledgeable on delivering the sessions.	Trained Edumove staff to deliver the program through whole school CPD within one of our Staff Development Days.	Physically Active Lessons (PAL) which promote academic engagement, attainment, mental health and psycho-social well-being.	All staff to attend the training to ensure consistency in our approach.	Kirsty Howarth & Anna Jacobs	See above	Reviewed throughout the year.
Total anticipated cost					£1,856.00	

D) Broader experience of a range of sports and activities offered to all pupils						
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?

High quality equipment to allow Nettlestone to both participate competitively, and to ensure maximum participation in lessons	New equipment purchased including 12 new gymnastic mats for use within PE lessons	To increase the safe teaching and learning of gymnastic type activities.	Use within lessons and competitions	Jamie McInnes	£1,632.73	
Offer a range of different and alternative sports clubs within our extra-curricular program	Skateboard club, Dance club and Table Tennis	A wider range and great variety of clubs will appeal to many different children at school	Coaches and instructors confirmed to take these clubs after-school	Jamie McInnes	£1,430.00	Popularity can be reviewed by sign ups on the registration sheets.
Improve the quality of teaching in some areas of the Physical Education curriculum	Employing specialist teachers e.g. Dance, coming in and teaching within curriculum time	Areas identified in current provision which could be improved with specialist teaching.	Observations by other members of staff. Feedback from children	Kirsty Howarth & Anna Jacobs	£921.00	After Easter holidays and J-Rock
Travel to all fixtures both on and off the Island	Minibus fuel plus ferry bookings	Allows more children to play representative sport, and allows us to play at a higher level in Hampshire and beyond	Listing the range of extra-curricular activities that children have undertaken	Jamie McInnes	£262.11	Ongoing with spreadsheet
Compete in as wide a range of sports as possible within the Island Primary PE setting	Entry fees and affiliation fees paid for various events	Not only do we need to pay to enter traditional sports like football and cricket, we can also give different children opportunities to take part in sports such as show-jumping and dressage.	Try to ensure we enter all competitions and events which children are interested in	Jamie McInnes	£70.00	Ongoing as competitions and events become available
Total anticipated cost					£4,315.84	

E) Increased participation in competitive sport						
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Anticipated Cost	When will you review implementation?
Give a wide range of children an opportunity to represent the school, in sports other than the traditional sports	Enter a mass-participation team to J-Rock, giving over 50 children the opportunity to travel off the Island and compete	The aim of the Be Your Best Foundation is to encourage young people to lead healthy lifestyles and to be their best without the need for tobacco, alcohol or other drugs.	Number of children involved in the show. Results of the show.	Kirsty Howarth	£706.67	Review conducted by Kirsty Howarth following the performance
All of KS2 to be involved in the Baylink Games	Give every child in KS2 the opportunity to compete in a high quality sporting event with many additional features including the opening/closing ceremonies and demonstrations from local sports clubs	The Baylink Games is a fantastic competition where children get to meet and compete against many children from the area. It has the feel of the Olympic Games, with schools representing countries and learning about local sports and traditions	We have attended in previous years, and it has always been an extremely well run event	Jamie McInnes	£360.00	Following the event with all teachers involved. And feedback from students
Total anticipated cost					£1,066.67	

Total Budgeted Spend for 2017 / 2018	£15,500.59 (including £332.43 for additional swimming)
---	---

4. Additional detail (Include our successes/ awards etc)

Notable achievements so far this academic year (2017/18)

- **School Sports Organising Crew**

We had over 30 children, from Years 3, 4, 5 and 6, apply to be in the sports crew. All children applied in writing and then interviewed for the positions. 25 children were appointed to the sports crew whilst the remaining 9 were appointed as sports ambassadors.

- **Netball - Under 11 Netball Team qualified for Island Final.**
- **Football - Under 9 Girls Football Team are ISLAND CHAMPIONS.**
- **Cross Country - 2 of our children were chosen to represent the Isle of Wight at the Hampshire Cross Country event.**
- **Federation Walk - 80+ children, 10 members of staff plus 30 members of the community (parents etc) - over £800 raised for charity.**
- **Sport Relief - over £1,000 raised for the charity.**
- **Cycling Skills - all Year 5 and 6 pupils have been offered two cycling skills sessions so far this year.**
- **Scooter Skills - all Year 3 and 4 pupils have been offered a scooter skills session this year.**
- **Introduction of a new Skateboarding Club this year.**
- **Sitting Volleyball and Archery festivals competed in for identified less-active children.**

Swimming

All of our children in Year 3 are provided with 10 weeks of swimming tuition at the local pool. In November 2017, our Year 6 children were asked to complete a questionnaire regarding swimming.

- Of our 30 children in Year 6, 28 can swim competently, confidently and proficiently over a distance of at least 25 metres (93.3%)
- Of our 30 children in Year 6, 28 can perform safe self-rescue in different water-based situations (93.3%)

Our plan will be to offer the children in Years 4, 5 and 6 who cannot meet these attainment targets to chance to attend further swimming tuition in the summer term. Our swimming provision will be reviewed at the end of the academic year
