

Class: Solent Savers

Teacher: Mrs Holloway, Mr Phillimore and Mrs Isham

LEARNING COMES ALIVE IN YEAR 5!

We can be resilient.
We can make a difference.
We live respectfully.
We make healthy choices.
We can make things happen.

VALUES and WELL-BEING

Welcome to the first term of the new academic year. Our values this half term are: Quality/Expectations, Democracy, Appreciation and Thoughtfulness. We will also continue to actively promote the British Values: *Democracy *Rule of Law *Individual Liberty *Mutual Respect*Tolerance of those with Different Faiths and Beliefs.

ENRICHMENT ACTIVITIES

To help put our Geography learning into context, we will be making a visit to the Garlic Farm to explore how the local area has changed over time. We will also visit Southsea Aquarium to increase our eco-awareness and begin to understand the reason for our class name.

RE

We will be exploring the concept of belonging relating it to our own everyday lives and also to the context of Islam (Shahada and Salat).

COMPUTING

This half term we will be looking at 'Sharing Information' safely using technology.

PE (Our PE days are Monday and Tuesday)

Our focus will be cross country and gymnastics.

OUR TEXT-DRIVER

'Pandora' – A short video animation

ENGLISH

Inspired by our text driver, 'Pandora', these are our writing goals for Autumn 1:

Outcome: Narrate our outcomes imitating the style of a voiceover and using our visual stimulus of a planet we have designed.

Purpose: To inform

Audience: NASA

Form: A Non-chronological report using details of our own planets.

MATHS

We will continue to build our understanding of place value -reading, writing, ordering and rounding numbers up to 1,000,000.

Furthermore, we will also be able to explain the value of digits within numbers. We will also be improving our skills of addition and subtraction.

HOME LEARNING

Please continue to support your child in completing their home learning using Seesaw and any other resources provided. This will be set on a Friday and is due in on a Wednesday. Learning will include Maths, Reading and Spelling/Grammar. Please also support your child in regularly revising their times tables learning.

SCIENCE

In Science, we will be thinking about what evolution is and how we know it happened. We will explore the geological scale, looking at different types of fossils and be able to classify plants and animals based on a broad set of characteristics.

PSHE and RSE

Using our 'SCARF' resource, we will further explore the theme of 'Me and My Relationships'.

GEOGRAPHY and SPANISH

In Geography, we will be thinking about how our local area has changed over time.

In Spanish, we will revise known numbers and extend learning to include numbers from 31- 99. We will also learn to ask the time and give o' clock, half past, quarter past and quarter to times. To further embed our learning, we will use the times in the context of talking about when we eat meals.

ART and MUSIC

We will be exploring Chinese Art, with a particular focus on pottery and the 'Terracotta Army'.

Our focus in Music will be 'Rock'.
